

# Fanwood-Scotch Plains Rotary Club learns more about CERT

F-SP Rotary secretary Janet Strunk is shown presenting a plaque to Lt. Trigo on the left and Michael Prasad in the center. Guests are welcome at the Rotary meetings. Those wishing to attend can call Dick Dobyns at 908-322-5986.

CERT...Community Emergency Response Team was the subject of the noon Wednesday meeting of the Rotary Club at the Pantagis Renaissance restaurant.

Michael Prasad, CERT's training coordinator, and Lt.

Richard Trigo, of the Fanwood police department, were very convincing in "spelling out" the importance of CERT to the community. "Our goal is to provide safety information for people to use in their homes and work-

places. Free home safety courses are being offered, including basic home fire safety, basic home first-aid training, terrorism, major disaster awareness, and other practical tips for families.
